WINEMAKER'S COMMENTS

Appearance: Clear, bright with hints of lime

Nose: Highly aromatic, with scents of Cape gooseberry, tropical fruit with touches of citrus and lemon rind.

Palate: Refreshingly crisp, seamlessly layered and a complex palate with distinct flavors of mineral, passion fruit, apple and tropical flavours with a clean, zesty finish.

FOOD RECOMMENDATIONS

Mischa Sauvignon Blanc drinks beautifully on its own, but also pairs well with cheese (especially goats cheese), green salads and vegetables and delicate fish.
